

JBER lakes open to fishing are also open to boating. Everyone boating on JBER must have an iSportsman permit and be signed in on the iSportsman system, with the exception of MWR sponsored facilities. You can register and purchase an iSportsman permit at: jber.isportsman.net or at one of the kiosks located at the JBER Visitor Centers

- Gas powered motors are prohibited. Electric trolling motors may be used.
- Boating on Lower Six-Mile Lake is restricted to the area of the lake outside of the designated floatplane landing zone, as marked by buoys. The area between the landing zone and the floatplane docks also is off limits to boating.
- Boating will be performed safely at all times. Boats and boaters must satisfy [US Coast Guard safety and boating requirements](#) (USCG, phone, 244-6082).
- All occupants in or on watercraft, regardless of age, will wear a US Coast Guard approved Type I, II, or III Personal Floatation Device while on JBER waters.
- Operators of motorized boats are subject to State laws for impaired operation of motorized vehicles. No individual may participate in boating on JBER lakes or waterways when impaired by alcohol or drugs.
- Boaters will be considerate of individuals who are fishing, and watch for other boating traffic on the water.
- Boaters may not closely approach loons or nesting waterfowl, or enter areas identified as restricted due to loon or other waterfowl nests.

Remember: To recreate on JBER-Elmendorf or in the Richardson cantonment area you must have a DOD ID card or be DOD ID Card sponsored.
