

JBER WOODCUTTING TERMS AND CONDITIONS

I (hereinafter referred to as the "permittee"), HEREBY AGREE TO COMPLY WITH the special conditions as set forth below:

All materials to be removed are to be used for personal use; none of the materials removed are to be sold or bartered; removal of material can begin only upon purchase of a firewood cutting permit through www.jber.iSportsman.net. All permittees must sign in prior to entering the woodcutting area and upon completion of removal of material, Permittee shall sign out of iSportsman and complete an exit survey indicating the total amount and type of material removed.

Permittee is only entitled to harvest up to the amount indicated on that permit. Neither the quality nor quantity of any materials offered through this program are guaranteed. Absolutely NO REFUNDS may be given. Once the quota is reached, additional permits may be purchased in 0.5 or 1.0 cord increments. Only the total amount of firewood needed by the permittee for personal use may be purchased. Permittee must obtain validation from the Forestry Administrator prior to being authorized to purchase their first cord of the calendar year. Additional validation is not required to purchase additional permits for the remainder of that calendar year. Permits are valid for 30 days and will not be extended. Permittee must stay within designated firewood cutting areas.

Permittee must carry out conservation practices as provided by law and as defined under the Environmental Management Plan (EMP) (JBER-30). Any equipment or personal property must be removed immediately upon completion of permit use; The permittee shall clean up all work areas and shall remove or dispose of all refuse resulting from the permittee's operations; hazardous materials, including but not limited to gasoline or other petroleum based products, shall be properly contained and all spills and leaks cleaned up in accordance with the EMP and subject to Section 7 of this statement.

That the exercises of the privileges hereby granted shall be without cost or expense to the United States, under the general supervision and subject to the approval of the officer having immediate jurisdiction over the property, hereinafter referred to as said officer, and subject also to such regulations as may be prescribed by him from time to time. Permittee will not construct any facilities on JBER, excluding temporary shelter in case of a bona fide emergency.

That any property of the United States damaged or destroyed by the permittee incident to the exercise of the privileges herein granted shall be promptly repaired or replaced by the permittee to the satisfaction of the said officer, or in lieu of such repair or replacement the permittee shall, if so required by the said officer, pay to the United States money in an amount sufficient to compensate for the loss sustained by the United States by reason of damage to or destruction of Government property.

That the United States shall not be responsible for damages to property or injuries to persons which may arise from or be incident to the exercise of the privileges herein granted, or for the damages to the property of the permittee, or for injuries to the person of the permittee, or for damages to the property of others who may be on said premises, at the invitation, or the invitation of anyone of them, arising from governmental activities on the said premises, and the permittee shall hold the United States harmless from any and all such claims.

That it is to be understood that this permit is effective only insofar as the rights of the United States in the property involved are concerned, and the permittee shall obtain such permission as may be necessary on account of any other existing rights.

That all trash and human waste will be backhauled by the permit holder.

I FURTHER CERTIFY That the statements made by me in this application are true, complete, and correct to the best of my knowledge and belief and are made in good faith.
