

JBER TEMPORARY WOOD LOT: TA 405 WINDTHROW AREA

This is a Temporary Wood Lot designated for harvesting the stacked wood/dead and downed trees ONLY. No other wood cutting is authorized. DO NOT CUT LIVE TREES. Once the wood is gone the area will be closed.

All forest products harvested at this temporary wood lot are for personal use and may not be sold, traded, bartered, or otherwise transferred.

All wood cutters must have a valid iSportsman Recreation Permit and Wood Cutting Authorization. Wood cutters must be signed into TA405 and report their harvest when signing out to cut wood in this area.

No other wood cutting in this area is authorized.

No ATVs/ORVs may be used within this area.

No wood cutting is authorized in Restricted Areas.

No activity which would interfere with the use of this roadway by construction and other official JBER vehicles. All woodcutting traffic MUST yield to construction and other official vehicles and operations.

Do not drag trees into the roadway, leave limbs or log sections lying in vehicle access routes, or otherwise block traffic at any time.

DO NOT TAKE STANDING SPRUCE IN THIS AREA. It may be infected with Spruce Bark Beetles. Downed spruce may be taken but should be stripped of its bark when harvesting and burned no later than next spring.

Note: You must be signed into iSportsman and have an Authorized Wood Cutting Permit to harvest firewood.
