

# TRAINING AREAS 402-405 ROADSIDE DESIGNATED WOOD CUTTING AREAS - TRAINING AREAS 402-405

This Wood Cutting Area has been designated for harvesting dead and down Birch, Cottonwood, or Spruce. Roadside wood cutting is authorized within **300 feet from the edge of the road**. This does not include Firing Point Clearings.

All forest products harvested in this wood lot and wood cutting area are for personal use and **may not be sold, traded, bartered, or otherwise transferred**.

Wood cutters must be signed into the correct Training Area for wood cutting activities. For roadside wood cutting at these locations **sign into Training Area(s) 402, 403, 404 and/or 405**. \*You can only be signed into two (2) areas at a time.\*

**All** wood cutters must have a valid iSportsman Recreation Permit and Wood Cutting Authorization. Wood cutters must be signed in and report their harvest when signing out to cut wood in this area.

- **No** ATVs/ORVs may be used within this area.
- **No** access is authorized beyond locked gates.
- **Absolutely No** wood cutting is authorized in Restricted Areas.
- **Absolutely No** activity which would interfere with the operation, maintenance, or security of the railroad, fenceline, or roadsides is authorized.
- **Do not** fall trees into the roadway, leave limbs or log sections lying in vehicle access routes, or otherwise block traffic at any time. Drag unwanted material and debris off the shoulder of the road.

**Note:** You must be signed into iSportsman and have an Authorized Wood Cutting Permit to harvest firewood.
